At 12 o'clock, we got on the bus and drove to Paris. There was a lot of noise because we were so excited to meet Jeff Kinney! We arrived at the Théâtre de la Porte Saint Martin. It is a wonderful theatre and we discovered a fantastic scenery. We sat in the front rows and on our seats, we found red bags with goodies inside! It was great!

Suddenly Jeff Kinney came on stage with a lovely smile! It was amazing to see him! Everyone started screaming and cheering. The show finally started! It was an interactive show, Jeff asked children to come on stage to take part in the different activities.

After that Jeff announced the result of the Big Contest. And the winner is... "**BENJAMIN FRANKLIN COLLEGE**"! We won! We were so proud and excited! We went on stage with him. It was so cool!

After that we had a tea party with amazing cakes, macarons, Madeleines, drinks and many other delicious things to eat and drink. Jeff gave us and signed his last book *Wrecking Ball* and we offered him a souvenir book we had made for him. Jeff was very generous and adorable!

Unfortunately, it was time to say good-bye. We came back very late because of the traffic jams but we kept on smiling thanks to Jeff and his wonderful team!

It was a fantastic day for us! Thank you Mr Kinney!
